

9th Annual Update on WTO Dispute Settlement

Written by [IDEAS Centre](#) on 21 March 2016. Posted in [Events](#)

IDEAS Centre's Partner Ronald Saborío, former ambassador of Costa Rica in Geneva as well as former Chairperson of the DSB – Special Session, will participate in an event organised by the Centre for Trade and Economic Integration of the Graduate Institute. The **9th Annual Update on WTO Dispute Settlement** will take place on 21 March 2016. Discussions will revolve around cases and developments of the Dispute Settlement Body of the WTO for the year 2016.

Despite moribund multilateral trade talks, the WTO remains strongly relevant. This is partly but very importantly due to its dispute settlement mechanism. The Dispute Settlement Body is increasingly used by WTO Members and remains one of the only compelling international tribunal.

Please find herewith the presentation made by [Ronald Saborío](#) for the Annual Update on WTO Dispute Settlement.
