On 14-16 March 2016, Wilton Park convened an event in the beautiful countryside of West Sussex on “**unlocking the potential for the World Trade Organization to deliver modern trade deals**“. Wilton Park is a UK-based international forum which organises numerous events each year on a wide array of global issues, including trade and global economic governance.

IDEAS Centre’s Executive Director, Mr Nicolas Imboden, was invited at the conference and provided thought-provoking inputs to the discussions. The report of the event has just been published by Wilton Park in their website. [Please click here to access it.](#)
